End User Subscription Agreement

Marketo, Inc. and Customer hereby agree as follows:

1. Scope; Procurement and Provisioning by Affiliates; Subscription Services Users.

1.1 Scope. This End User Subscription Agreement applies to Customer’s use of the online subscription services and related online training and packaged professional services (e.g., Launch Packs) offered by Marketo (collectively, the “Subscription Services”) that are listed in one or more Marketo subscription-based ordering documents signed by the Parties (each a “Sales Order”). This End User Subscription Agreement and all executed Sales Orders, including any incorporated attachments, addenda and exhibits, are collectively referred to as the “Agreement.”

1.2 Procurement and Provisioning by Affiliates. Customer may procure Subscription Services under this Agreement for its own account and on behalf of one or more Customer Affiliates (defined below). Customer is responsible for the acts and omissions of Customer Affiliates under any Sales Order pursuant to which the Customer Affiliate receives the benefit of the Subscription Services but is not a signatory. Additionally, Customer Affiliates may procure Subscription Services directly under this Agreement pursuant to a Sales Order executed by such Customer Affiliate and either Marketo or a Marketo Affiliate. Customer Affiliates who sign a Sales Order will be deemed to be the Customer hereunder and solely responsible for its performance or non-performance thereunder. The Marketo Affiliate who signs a Sales Order will be deemed to be Marketo hereunder and solely responsible for its performance or nonperformance thereunder. “Affiliate” means any legal entity directly or indirectly controlling, controlled by or under common control with a Party, where control means the ownership of a majority share of the stock, equity or voting interests of such entity.

1.3 Subscription Services Users. During the Subscription Term set forth in each Sales Order, Marketo will make the Subscription Services available to Customer and its authorized Affiliates, employees, agents or contractors (“Users”), for access and use by such Users solely for Customer’s internal business purposes in accordance with the terms of the Agreement. Customer is responsible for use of the Subscription Services by Users and any party who accesses the Subscription Services with Customer’s or a User’s account credentials.

2. Restrictions; Marketo Use Policy; Usage Rights; Suspension.

2.1 Restrictions. Customer will not, and will ensure that its Users do not, directly or indirectly (i) make the Subscription Services available to anyone other than Users or use the Subscription Services for the benefit of any unrelated third party; (ii) sell, resell, assign, pledge, transfer, license, sublicense, distribute, rent or lease the Subscription Services; (iii) reverse engineer, decompile, disassemble or otherwise attempt to discover the source code, object code or underlying structure, ideas or algorithms of the Subscription Services or any software, documentation or data related to or provided with the Subscription Services; (iv) modify, translate or create derivative works based on the Subscription Services or remove any proprietary notices or labels from the Subscription Services; (v) use or access the Subscription Services to build or support, and/or assist a third party in building or supporting products or services competitive to the Subscription Services; (vi) include the Subscription Services in a service bureau or outsourcing offering; or (vii) utilize the Subscription Services in mainland China or Russia unless specifically allowed in a Sales Order.

2.2 Marketo Use Policy. Customer will, and will ensure that its Users, use the Subscription Services only in compliance with the Marketo Use Policy available at http://www.marketo.com/trust/legal/marketo-use-policy/.

2.3 Usage Rights. Customer will, at all times, ensure that its use of the Subscription Services does not exceed the usage terms specified in the Sales Order (“Usage Rights”). If Marketo determines Customer is exceeding its Usage Rights, Marketo will notify Customer in writing (email notification sufficient) specifying such Usage Rights.
overage, and Customer will have 30 days from the date of notice in which to bring its usage within the limits of such Usage Rights. If Customer fails to do so within 30 days, Marketo has the right to charge Customer, and Customer agrees to pay, for the applicable usage tier, which will be co-termed with the Subscription Term in the applicable Sales Order.

2.4 Suspension. Marketo may immediately suspend Customer’s account and access to the Subscription Services if (i) Customer fails to make payment due within 10 business days after Marketo has provided Customer with written notice of such failure; or (ii) Customer violates Section 2.1 (Restrictions), Section 2.2 (Marketo Use Policy), or Section 9 (Confidential Information). Any suspension by Marketo of the Subscription Services under the preceding sentence will not relieve Customer of its payment obligations hereunder. Marketo will promptly lift the suspension upon Customer’s payment or remedy of the triggering violation, as applicable.

3. Ownership: Subscription Services; Customer Data; Statistical Information.

3.1 Subscription Services. Customer acknowledges that the Subscription Services are offered online on a subscription basis. Marketo reserves all rights, title and interest in and to the Subscription Services, including any software or documents related to or provided with the Subscription Services and all intellectual property rights and derivatives, modifications, refinements or improvements thereto. From time to time, Customer or its Users may submit to Marketo comments, questions, enhancement requests, suggestions, ideas, process descriptions or other information related to the Subscription Services (“Feedback”). Customer agrees that Marketo has all rights to use and incorporate Feedback into the Subscription Services without restriction or payment to Customer. No rights are granted to Customer other than as expressly set forth herein.

3.2 Customer Data. Customer owns any data, information or material originated by Customer or that Customer provides in the course of using the Subscription Services, including information regarding Customer’s social networking connections, followers or other contacts activated through use of the Subscription Services (“Customer Data”). Customer will be solely responsible for (i) the accuracy, quality, content, legality and use of Customer Data, including the means by which Customer Data is acquired and transferred by Customer or its Users outside of the Subscription Services; and (ii) all applicable social networking terms and conditions related to procurement and use of Customer Data. Customer Data is Customer’s Confidential Information.

3.3 Statistical Information. Marketo may monitor Customer’s use of the Subscription Services and compile Customer Data with other data in an aggregate and anonymous manner to derive statistical and performance information related to the provision and operation of the Subscription Services and may make such information publicly available, provided that such information does not include any data that would enable the identification of Customer or Customer Data, or the disclosure of Customer Confidential Information. Marketo retains all rights, title and interest in and to such statistical and performance information.

4. Fees; Taxes and Currency; Invoices.

4.1 Fees. Customer will pay all fees set forth in the Sales Orders and any fees invoiced pursuant to this Agreement. All fees are noncancelable and nonrefundable, except as expressly specified in the Agreement. Any fees paid pursuant to a Sales Order will not offset any fees due under any other Sales Order.

4.2 Taxes and Currency. All fees are exclusive of, and Customer will be responsible for payment of, taxes, levies, duties or similar local, state, provincial, federal or foreign jurisdiction governmental assessments on the Subscription Services. Customer is not responsible for any taxes based on Marketo’s net income or property. Except as otherwise specified in a Sales Order, all fees due hereunder will be paid in U.S. Dollars.

4.3 Invoices. All amounts are due and payable as specified in the Sales Order. If no payment terms are specified in the applicable Sales Order, payment terms are net 30 days from receipt of invoice. Unpaid invoices not the subject of a written good faith dispute are subject to a finance charge of 1.5% per month on any outstanding balance, or the maximum permitted by law, whichever is lower, plus all reasonable expenses of collection.
5. **Agreement Term; Termination for Cause, Effect of Termination; Survival.**

5.1 **Agreement Term.** The Agreement will commence on the Subscription Start Date of the first Sales Order (the “Effective Date”) and will remain in effect until the Subscription Term in all Sales Orders has expired or has otherwise been terminated (the “Agreement Term”). Notwithstanding the foregoing, if immediately following the expiration of the Subscription Term in any Sales Order, the Parties are negotiating a renewal of such Sales Order, the Agreement Term will remain in effect for a reasonable period of time to allow the parties to effect such renewal. Nothing contained herein will extend the Subscription Term set forth in any Sales Order.

5.2 **Termination for Cause.** In the event of a material breach by either Party, the non-breaching Party will have the right to terminate the applicable Sales Order for cause if such breach has not been cured within 30 days after written notice from the non-breaching Party specifying the breach.

5.3 **Effect of Termination.** If Marketo terminates a Sales Order for Customer’s uncured material breach (i) all fees set forth in the terminated Sales Order will be immediately due and payable; (ii) all rights granted thereunder will immediately terminate; and (iii) if such terminated Sales Order includes fees for usage of the Subscription Services in excess of the Usage Rights, such fees are also immediately due and payable. If Customer terminates a Sales Order for Marketo’s uncured material breach, Customer will be entitled to a pro-rata refund for prepaid fees for the Subscription Services not performed as of the date of termination. Upon completion of the Agreement Term, all rights to access and use the Subscription Services will terminate and Marketo will irrevocably delete and destroy Customer Data and, if requested in writing, Marketo will certify to such destruction in writing.

5.4 **Survival.** The following Sections of the Agreement will survive termination of the Agreement: Section 2.1 (Restrictions), Section 3 (Ownership: Subscription Services; Customer Data; Statistical Information), Section 4 (Fees; Taxes and Currency; Invoices), Section 6.4 (Warranties Disclaimer), Section 7 (Indemnification), Section 8 (Limitation of Liability), Section 9 (Confidential Information) and Section 11 (General Terms).

6. **Warranties; Warranty Remedies; Warranties Disclaimer; Product Changes.**

6.1 **General Warranty.** Each Party represents and warrants to the other Party that it has the power and authority to enter into the Agreement.

6.2 **Subscription Services Warranty.** Marketo warrants the Subscription Services, under normal use, will (i) perform materially in accordance with the applicable documentation located at [https://docs.marketo.com](https://docs.marketo.com); and (ii) be provided in a manner consistent with generally accepted industry standards.

6.3 **Warranty Remedies.** Customer will notify Marketo of any warranty deficiencies under Section 6.2 within 30 days of the performance of the relevant Subscription Services, and Customer’s exclusive remedy will be the re-performance of the deficient Subscription Services. If Marketo cannot re-perform such deficient Subscription Services as warranted, Customer will be entitled to terminate the deficient Subscription Services under Section 5.2 above and recover a pro-rata portion of the fees paid to Marketo for such deficient Subscription Services, and such refund will be Marketo’s entire liability.

6.4 **Warranties Disclaimer.** Except for the express warranties above, and to the maximum extent permitted by law, Marketo and its third party providers disclaim all express, implied or statutory warranties, including any warranties of merchantability, fitness for a particular purpose, title and non-infringement. Marketo does not warrant the reliability, timeliness, suitability, or accuracy of the Subscription Services or the results Customer may obtain by using the Subscription Services. Marketo does not warrant uninterrupted or error-free operation of the Subscription Services or that Marketo will correct all defects or prevent third party disruptions or unauthorized third party access. Marketo disclaims all failures, delays, and other problems inherent in the use of the Internet.
6.5 **Product Changes.** Marketo reserves the right to change or discontinue individual features within the Subscription Services upon prior written notice via the Subscription Services portal. To the extent any such changes result in a material reduction of overall functionality without a comparable replacement, Marketo will refund Customer a pro-rata portion of all prepaid fees associated with the discontinued Subscription Services for which no comparable replacement was provided.

7. **Indemnification.**

7.1 **Marketo.** Marketo will defend Customer against any claim brought against Customer by a third party alleging the Subscription Services as provided by Marketo directly infringe the intellectual property rights of the claimant and will pay Customer for finally-awarded damages and costs and Marketo-approved settlements of the claim. Marketo’s obligations to defend or indemnify will not apply to the extent that a claim is based on (i) Customer Data, Customer’s or a third party’s technology, software, materials, data or business processes; (ii) a combination of the Subscription Services with non-Marketo products or services; or (iii) any use of the Subscription Services not in compliance with this Agreement. Marketo may, in its discretion and at no cost to Customer, (a) modify the Subscription Services to avoid infringement; or (b) terminate Customer’s subscriptions for the affected Subscription Services and refund Customer any related prepaid fees for the remainder of the Subscription Term.

7.2 **Customer.** Customer will defend Marketo against any claim brought against Marketo by a third party alleging (i) Customer Data infringes the intellectual property, privacy or other rights of the claimant; or (ii) Customer’s use of the Subscription Services, other than as authorized in this Agreement, violates applicable law or regulations, or infringes the claimant’s intellectual property rights, and will pay Marketo for finally-awarded damages and costs and Customer-approved settlements of the claim.

7.3 **Procedure.** As a condition to the indemnifying Party’s obligations under this Section 7, the Party seeking indemnification must (i) promptly give written notice of the claim to the indemnifying Party; (ii) give the indemnifying Party sole control of the defense and settlement of the claim (provided that the indemnifying Party may not settle any claim unless it unconditionally releases the indemnified Party of all liability); and (iii) provide the indemnifying Party, at the indemnifying Party’s cost, all reasonable assistance. THIS SECTION STATES THE INDEMNIFIED PARTY’S SOLE REMEDY, TO THE EXCLUSION OF ALL OTHER REMEDIES (IN CONTRACT, TORT OR OTHERWISE), AND THE INDEMNIFYING PARTY’S TOTAL LIABILITY, REGARDING THE CLAIMS AND LIABILITIES ADDRESSED BY THIS SECTION 7.

8. **Limitation of Liability.** NO PARTY WILL BE LIABLE UNDER ANY CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY (i) FOR ERROR OR INTERRUPTION OF USE, INACCURACY OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICE OR TECHNOLOGY, OR LOSS OF BUSINESS OR DATA; (ii) FOR ANY INDIRECT, EXEMPLARY, LOST PROFITS, LOST REVENUE, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (iii) FOR ANY MATTER BEYOND ITS REASONABLE CONTROL, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE; OR (iv) EXCEPT FOR CUSTOMER PAYMENT OBLIGATIONS, FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE CUMULATIVE FEES INVOICED TO CUSTOMER UNDER THE AGREEMENT IN THE 12 MONTHS PRECEDING THE DATE THE CLAIM AROSE. MARKETO UNDERTAKES NO LIABILITY FOR ANY CUSTOMER DATA ELEMENTS PROHIBITED BY THE MARKETO USE POLICY OR ANY THIRD PARTY TECHNOLOGY ACQUIRED BY CUSTOMER TO INTERACT WITH THE SUBSCRIPTION SERVICES. THE FOREGOING LIMITATION WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

9. **Confidential Information.** Each Party (the “Recipient”) understands that the other Party (the “Discloser”) may, during the Agreement Term and in connection with the Subscription Services, disclose non-public information relating to the Discloser’s business that is designated as confidential or reasonably should be understood to be confidential given the nature of the information and circumstances of disclosure (“Confidential Information”). The Recipient agrees (i) to take reasonable precautions to protect such Confidential Information; and (ii) not to use or divulge to any third person any such Confidential Information except as set forth herein and to those of its employees and contractors who need access for purposes consistent with this Agreement and who are bound to
10. Data Security. Marketo shall maintain appropriate administrative, physical, and technical safeguards designed to protect the security of the Subscription Services and Customer Data in accordance with the attached Marketo Security Standards. If Customer’s use of the Subscription Services involves processing personal data pursuant to Regulation 2016/679 (the “GDPR”) and/or transferring personal data outside the European Economic Area or Switzerland to any country not deemed by the European Commission as providing an adequate level of protection for personal data, the terms of the data processing addendum shall apply to such personal data and be incorporated into the Agreement upon the execution and submission of the data processing addendum to Marketo in accordance with its terms. The data processing addendum may be accessed at https://nation.marketo.com/docs/DOC-5691. Customer agrees Marketo may engage Marketo Affiliates and the third party sub-processors currently listed at https://documents.marketo.com/legal/sub-processor-list (the “Sub-Processor List”) to process personal data on Marketo’s behalf in order to provide the Subscription Services. Customer can be notified of changes to the Sub-Processor List by following the subscribe mechanism set forth in the preceding link. Customer may object to the appointment of a new sub-processor within fourteen (14) calendar days of such notice on reasonable data protection grounds, in which case, Marketo shall either: (i) offer an alternative to the Subscription Services without use of such sub-processor; or (ii) cease to provide the particular aspect of the Subscription Services that involve use of the objectionable sub-processor. If Customer has an active Sales Order involving use of the sub-processor to which it objects and for which no alternative is provided by Marketo, Customer may terminate the impacted portion of the Subscription Services and receive a pro-rata portion of all prepaid fees associated with the terminated portion of the Subscription Services.

11.1 Notice. Marketo may give general notices for Subscription Services applicable to all customers by means of a notice on the Subscription Services web portal. Specific notices applicable to Users of the Subscription Services, technical support, system security and other account notices will be given by electronic mail to Customer’s e-mail address on record in Marketo’s account information. All legal or dispute-related notices will be sent by first class mail or express delivery, if to Marketo, attention Legal Department, at 901 Mariners Island Blvd., Suite 500, San Mateo, California 94404, U.S.A., and if to Customer, to Customer’s account representative and address on record in Marketo’s account information or such other addresses as either Party may designate in writing from time to time.

11.2 Force Majeure. Neither Party will be responsible for failure or delay of performance if caused by an act of nature, war, hostility or sabotage; an electrical, internet, or telecommunication outage that is not caused by the obligated Party; government restrictions (including the denial or cancellation of any export or other license); or other event outside the reasonable control of the obligated Party. Each Party will use reasonable efforts to mitigate the effect of a force majeure event. If such event continues for more than 20 days, either Party may cancel unperformed Subscription Services upon written notice.

11.3 Governing Law. Unless specifically set forth in the applicable Sales Order (i) any action, claim, or dispute between the Parties will be governed by California law, excluding its conflicts of law provisions, and controlling U.S. federal law; and (ii) the Parties agree to the exclusive jurisdiction of and venue in the state and federal courts in San Mateo County and San Francisco, respectively. Except for actions for nonpayment or breach of either Party’s proprietary rights, no action, regardless of form, arising out of or relating to the Agreement may be brought by either Party more than 2 years after the cause of action has accrued.
11.4 **Entire Agreement.** This Agreement represents the Parties’ entire understanding relating to the Subscription Services and supersedes any prior or contemporaneous agreements or understandings regarding the Subscription Services. In the event of a conflict between this Agreement and a contemporaneous or later-dated Sales Order, the terms of the contemporaneous or later-dated Sales Order will control.

11.5 **Standard Terms of Customer.** No terms, provisions or conditions of any purchase order, acknowledgement or other business form Customer may use in connection with the acquisition of Subscription Services will affect the rights, duties or obligations of the Parties hereunder, or otherwise modify this Agreement, regardless of any failure of Marketo to object to such terms, provisions or conditions.

11.6 **Amendment / No Waiver.** The Agreement may be amended only by written agreement signed by the Parties. If any provision of the Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then such provision(s) will be construed to reflect the intent of the invalid or unenforceable provision(s), with all other provisions remaining in full force and effect. The failure of either Party to enforce any right or provision in the Agreement will not constitute a waiver of such right or provision unless acknowledged and agreed to by such Party in writing.

11.7 **Assignment.** No joint venture, partnership, employment, or agency relationship exists between Marketo and Customer as a result of the Agreement or use of the Subscription Services. This Agreement and any rights or obligations hereunder may not be assigned, sublicensed or otherwise transferred by the Parties without the prior written approval of the non-assigning Party, except that either Party may assign or transfer this Agreement in connection with a merger or acquisition of all or substantially all of the assets of the assigning company (other than to a direct competitor of the non-assigning Party and provided that the assignee agrees in writing to be bound by all terms and conditions of this Agreement) by providing the non-assigning Party with prompt written notice of assignment. Any purported assignment in violation of this section will be void.

11.8 **Compliance with Laws.** Each Party agrees to abide by all laws, ordinances and regulations (whether international, federal, state, local or provincial) applicable to its performance under this Agreement.

Attachment – Marketo Security Standards (next page)
Attachment – Marketo Security Standards

1. **Definitions.** Capitalized terms used in this attachment and not otherwise defined herein shall have the meanings set forth in the underlying agreement for Subscription Services entered into between the Parties to which these security standards are attached (the “Agreement”).

2. **Security Controls and Safeguards**

2.1. Marketo will comply with all applicable privacy and data security laws and regulations governing its use, processing and storage of Customer Data.

2.2. During the Agreement Term, Marketo shall maintain a security program materially aligned with applicable industry standards designed to ensure the security, confidentiality, availability and integrity of Customer Data and protect against unauthorized disclosure or access of Customer Data. Such security program shall include the implementation of administrative, technical and physical safeguards appropriate for the type of information that Marketo processes and the need for security and confidentiality of such information.

2.3. Marketo implements controls aligned to industry standards intended to keep Customer Data secure and throughout the Agreement Term shall maintain security measures designed to: (i) protect the security of Marketo systems which interact with Customer Data; (ii) protect against any anticipated threats or hazards to the security or integrity of Marketo systems which interact with Customer Data and (iii) protect against unauthorized access to or use of Marketo systems which interact with Customer Data that could result in harm to Customer’s Users of the Subscription Services.

2.3.1. Marketo maintains access controls which include, but are not limited to, the following:

2.3.1.1. Limiting access to its information systems and the facilities in which they are housed to properly authorized persons;

2.3.1.2. Access by Marketo personnel to Customer Data is removed upon termination of employment or a change in job status that results in the personnel no longer requiring access to Customer Data;

2.3.1.3. System passwords conform to strong password standards (9 characters minimum) that include length, complexity and expiration. A maximum of ten (10) password attempts can be made, after which access is blocked until the password is reset by authorized personnel. Password policies conform with NIST Special Publication 800-53.

2.3.1.4. Limited access to its information systems using multifactor authentication.

2.4. All customer communications transmitted over the internet are encrypted. Marketo utilizes encryption on its own email servers to ensure point-to-point encryption via opportunistic TLS. Customer can elect, for an additional charge, to configure the Subscription Services to use encrypted channels for its own collection of data via landing pages and from user activity on Customer’s web site. Customer may elect to apply high grade encryption to data at rest for an additional fee. All backups are encrypted with high-grade encryption.

2.5. Marketo monitors its network and production systems and implements and maintains security controls and procedures designed to prevent, detect and respond to identified threats and risks. Such monitoring and testing includes, but is not limited to, the following:

2.5.1. Employing an industry standard network intrusion detection system to monitor and block suspicious network traffic;
2.5.2. Reviewing access logs on servers and security events and retaining network security logs for 180 days;

2.5.3. Reviewing all access to production systems;

2.5.4. Performing network vulnerability assessments on a regular basis. Scans will be performed using industry standard scanning tools that identify application and hosting environment vulnerabilities. Marketo shall maintain a vulnerability remediation program;

2.5.5. Engaging third parties to perform network penetration testing on at least an annual basis.

2.6. Marketo shall ensure that:

2.6.1. All endpoints run an anti-virus solution and apply timely signature updates;

2.6.2. All critical, exploitable vulnerabilities are patched in a timely manner.

3. **Uses and Disclosures of Customer Data.** Marketo will not use or disclose Customer Data except as necessary to provide the Subscription Services or as otherwise set forth in the Agreement.

4. **Security Breach Notification.** Marketo shall notify Customer within seventy-two (72) hours of becoming aware of the unauthorized acquisition, destruction, loss, modification, use or disclosure of Customer Data (“Security Breach”).

4.1. Marketo will immediately investigate and take all reasonable necessary steps to eliminate or contain the exposures that lead to such Security Breach.

4.2. Marketo will, as soon as reasonably practicable, provide Customer with a written description of the Security Breach, as well as the mitigation steps taken by Marketo.

5. **Audit**

5.1. Marketo will obtain attestation reports related to its information security program (SSAE 16, SOC 2 or an equivalent report) at least annually and keep such reports for at least three (3) years following each attestation.

5.2. Customer shall have the right, upon written request and not more than once annually, to conduct reasonable information security assessments that consist of a review of Marketo’s records relating to its compliance with this Agreement. Customer and Marketo will discuss and agree in advance on the reasonable start date, scope and duration of and security and confidentiality controls applicable to any audit. Marketo reserves the right to charge a fee (based on Marketo’s reasonable costs) for any audit and Marketo will provide further details of any applicable fee and the basis of its calculation to Customer in advance of an audit. Marketo shall provide reasonable assistance by allowing inspection of relevant documents or records, to the extent such information directly relates to the transaction records for the services provided by Marketo under this Agreement. Marketo will provide appropriate management personnel to engage with Customer and supervise any records review. During any such records review, Marketo shall have no obligation to expose its customers’ or employees’ personal or private information or any data that Marketo reasonably believes would adversely impact its customers’ or employees’ security or privacy and such review shall be subject to reasonable confidentiality provisions and restrictions that Marketo may impose. An auditor shall not be permitted to remove any physical or electronic copies of Marketo’s Confidential Information.
6. **Security Awareness and Training.** Marketo requires at least annual security and privacy training for all personnel.

7. **Background Checks.** Marketo shall perform a background check on all employees and independent contractors that include criminal and financial checks, education verification, employment verification, and reference checks.

8. **Business Continuity and Disaster Recovery**

8.1. Marketo has policies and procedures in place for responding to an emergency or other occurrence (for example, fire, vandalism, system failure, pandemic, and natural disaster) that could affect the availability, integrity or confidentiality of Customer Data or production systems that contain Customer Data or that would interrupt Marketo’s ability to provide Subscription Services under the Agreement.

8.2. Marketo’s data protection, high availability, and built-in redundancy are designed to ensure application availability and protect information from accidental loss or destruction. Marketo’s Disaster Recovery plan incorporates geographic failover between its U.S. data centers. Subscription Service restoration is within commercially reasonable efforts and is performed in conjunction with a data center provider’s ability to provide adequate infrastructure at the prevailing failover location.

8.3. Marketo relies on reputable data center providers’ multiple levels of power redundancy, uninterrupted power supply (UPS) and backup power for Marketo’s system containing Customer Data. The power systems of the data centers processing Customer Data are designed to run uninterrupted during a total utility power outage, with every server receiving conditioned UPS power. The UPS power subsystem is redundant, with instantaneous failover if the primary UPS fails. All Marketo data center providers are ISO 27001:2013 certified.

8.4. Data center facilities containing Customer Data have advanced fire suppression systems and redundant heating, ventilation and air conditioning systems providing appropriate and consistent airflow, temperature and humidity levels.

8.5. **Backup and Recovery.** Data center facilities in the U.S. utilize snapshot and data mirroring capabilities. The integrity of local backups is tested quarterly by restoring a complete database from a selected snapshot copy to test systems and validate the data integrity. Data in the UK data center facility is backed-up to tapes daily and data in the Australia data center is backed-up electronically daily; the backup processes for the UK and Australia data center facilities are tested quarterly. Backup data is not transferred across international borders.

8.6. **Network and Storage Redundancy.** The SaaS infrastructure is designed and built for high availability. All network devices, including firewalls, load balancers, and switches are fully redundant and highly-available. High availability for Internet connectivity is ensured by multiple connections in each data center to different ISPs.
